

Satuan Acara Pengajaran

ENEE802002 - Metodologi Penelitian

Pengajar

Prof. Dr. Ir. Eko Tjipto Rahardjo M.Sc.

Dr.-Ing. Eko Adhi Setiawan S.T., M.T.

Tujuan Perkuliahan

Mampu menuls proposal riset untuk tesis Master dan tata cara membuat laporan riset untuk Tesis

Minggu 1

Materi	Research: a way of thinking
Media	PPT
Referensi	R. Kumar: Research Methodology, 3rd ed.
Aktivitas	Lecture and discussion

Minggu 2

Materi	Research process: a quick glance
Media	PPT
Referensi	R. Kumar: Research methodology, 3rd ed.
Aktivitas	Lecture and discussion

Minggu 3

Materi	Formulating a research problem: reviewing the literature; formulating the problems; identifying variables; Constructing hypothesis
---------------	--

Media	PPT
--------------	-----

Referensi	R. Kumar: Research methodology, 3rd ed.
------------------	---

Aktivitas	Lecture and discussion
------------------	------------------------

Minggu 4

Materi	Conceptualising a research design: The research design; selecting a study design;
---------------	---

Media	PPT
--------------	-----

Referensi	R. Kumar: Reserach methodology, 3rd ed.
------------------	---

Aktivitas	Lecture and discussion
------------------	------------------------

Minggu 5

Materi	Constructing an instrument for data collecting and selecting a sample.
---------------	--

Media	PPT
--------------	-----

Referensi	R. Kumar; Research methodology, 3rd.
------------------	--------------------------------------

Aktivitas	Lecture and discussion
------------------	------------------------

Minggu 6

Materi	Writing a research proposal: How to.
---------------	--------------------------------------

Media	PPT
--------------	-----

Referensi	
------------------	--

Aktivitas	Lecture and discussion
------------------	------------------------

Minggu 7

Materi	Student presentation for a research proposal
---------------	--

Media

Referensi

Aktivitas

Minggu 8

Materi Student presentation of a research proposal

Media

Referensi

Aktivitas

Minggu 9

Materi Collecting data: considering ethical issues

Media Lecture and discussion

Referensi

Aktivitas

Minggu 10

Materi Make a dummy data

Media

Referensi

Aktivitas

Minggu 11

Materi Processing and displaying data

Media Lecture and discussion

Referensi

Aktivitas

Minggu 12

Materi Writing a research report

Media

Referensi

Aktivitas

Minggu 13

Materi Student presentation on research report

Media

Referensi

Aktivitas

Minggu 14

Materi Student presentation on research report

Media

Referensi

Aktivitas
